

*Week 4*

**NEWSROOM CAFE**

# **NEWS of the WEEK**

# CNN Student News

March 11, 2016

Canada's leader formally visits the White House, we travel inside a Japanese ghost town with a former resident, and scientists grow crops in Mars-like soil.

# NEWSROOM CAFE

**Please update your weebly sites with 2-3 blog posts (of what you learned) and 3-5 news posts (tracking important news stories of the week). Make sure your weebly site is linked on the main Critical Current website. If you haven't had your picture taken, please see Ms. Park.**
